

ABOUT FACILITY MANAGEMENT SOLUTIONS, INC.

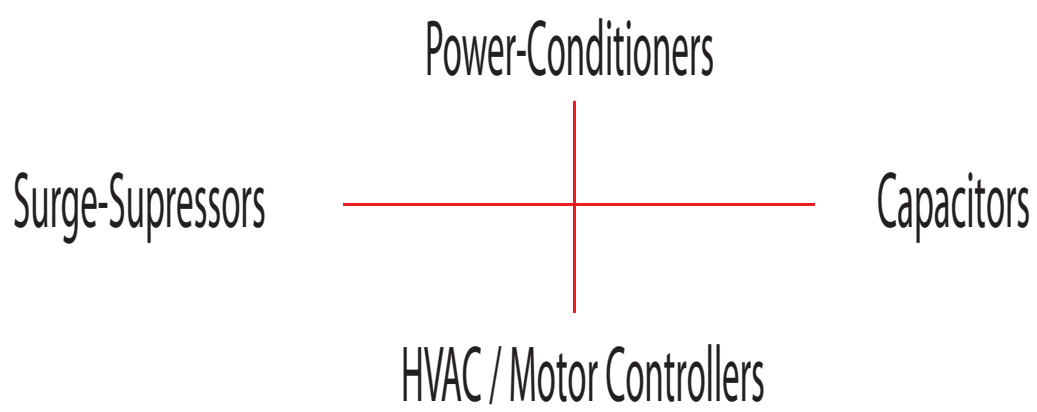

Facility Management Solutions, Inc. (FMSI) was established in 2000 as a State of Florida Sub-Chapter S Corporation headquartered in Cincinnati, Ohio.

Our mission is to lower the operating costs of commercial, industrial, hospitality and retail businesses by reducing their electricity consumption.

Our distinctive competence is our unique ability to engineer, design, and install in a system configuration, various energy reduction technology products to synergistically maximize the electrical capabilities of the individual products.

Our technology products include:

Our Value Proposition includes:

- Return On Investment of 24 Months or Less - Guaranteed minimum electrical savings of 15%
- 100 % Money Back Guarantee
